

Here's a quick and easy guided tour of the NEW KHS website!

The screenshot shows the KHS website homepage. At the top, there is a blue header with the KHS logo and the text "Event Registration & Online Training". Below the header, there is a large yellow banner for "FY12 ONLINE TRAININGS" from July 1, 2011, to June 30, 2012. To the left of the banner is a sidebar menu with categories: PROVIDERS, MEMBERS, TRAININGS, MANAGE, RESOURCES, and SUPPORT. To the right of the banner is a "WEBSITE REGISTRATION" section with "SIGN-IN" and "SIGN-UP" options. Below the banner is a main content area titled "PROVIDER ONLINE TRAININGS - FY 12" with a "Check Annual Training Requirements Status" button and four numbered training items. At the bottom, there are sections for "OTHER ONLINE TRAINING", "MEMBER ORIENTATION", "PROVIDER NOTICE", and "MANAGE".
